SCHOOL NEWS

Our entire school family wishes everyone a joyful and happy New Year. May God bless you with much happiness and good health, and write on your heart that every day is your best day.

Educating our children has always been a mission of the Catholic Church, and our school is a reminder that a Catholic education helps each student grow into the very best person they can be. Your parish school offers so much more than just strong academics, it focuses on educating the whole child, mind, body, and most importantly spirit.

Classes resume this Tuesday, January 3, 2023, and our staff and students are looking forward to being back in the classroom. Parents choose St. John Vianney School for their child because of our high academic standards, values-added education and a safe school environment.

Applications for NEW STUDENTS for 2023-2024 school year are available online at sjvkailua.org and in the school office. For more information call 808-261-4651.

As our parish celebrates its 60th anniversary, we seek stories from alumni of SJV School. If you or any members of your family attended our school, please take a few minutes to share a memory. Maybe you recall celebrating an academic or athletic achievement. Maybe you remember being inspired by a favorite teacher or representing the school as a performer. Maybe you wonder about that rascal who sat in front of or behind you. . . or the pranks you pulled together! Please send your story, written or video to:

SODALITY DONATES BABY CAPS

Maria Durante (in red) delivered handmade crocheted and knitted baby caps to the Birth Center at Castle Hospital as a donation from our Sodality. Maria is the Special Activities Committee Chair and joins Rosary makers on Thursday mornings. These small gifts of kindness bring happiness to the babies and their families. Mahalo Maria for your giving heart and being the light of Christ to others.

CATHOLIC FAITH CORNER

A YEAR(S) OF THE EUCHARISTIC REVIVAL

In this month of January, we will look at the Last Supper. Catholic Christians share with most Christians the faith that Jesus Christ, on the night he was betrayed, ate a final or last supper with his Apostles. This final meal was also the celebration of the Jewish Passover, or Feast of the Unleavened Bread, which commemorated the passing over of the Jews from the death of slavery to the Egyptians, to life in the Promised Land.

In the Sixth chapter of John's Gospel, at the end of his public ministry, Jesus used the context of a Passover meal to make a connection to the reason why he came, which was, to offer himself for our sins. This was at his Last Supper. (That is why the Mass is not only a sacred meal, but a sacred sacrifice.) He declares to them that his flesh is real food and that his blood is real drink. As startling a declaration as it is, it was an invitation to have faith that he was from God and, in fact, that he was the Word of God become flesh. Thus, his Last Supper involved a direct connection with his crucifixion. In the sacrifice of the altar, which we call Mass, Jesus' sacrifice becomes real presence. Those who eat and drink worthily of his Body and Blood, share in his passion, death and resurrection.

To receive Holy Communion is more than an action of physically eating the Host and drinking the Precious Blood. It is to take the whole Christ into ourselves. When we consume food, we generally think of it being assimilated into our bodies. It is different when we eat and drink of Christ's Body and Blood. It is we who are assimilated into Christ. In other words, who Christ is by nature, we become through grace. That is our full participation as members of the Body of Christ. We share in Christ's divinity. For that reason, it is important to reflect deeply on what we become by our reception of Jesus in the Eucharist.

DIOCESE OF HONOLULU

RESPECT LIFE

MARCH FOR LIFE 2023

Friday, January 20th | Hawaii

You are God's gift to the world!

ABOUT US

WHO WE ARE

The Respect Life Office for the Diocese of Honolulu seeks to convert hearts and minds on a wide range of life issues including Abortion, Post-abortion Healing, Euthanasia, Chastity Education, Embryonic Stem Cell Research, Human Cloning, Capital Punishment, Ethical Vaccines, Fertility Issues and Artificial Contraception.

Diocesan Co-Directors: Dcn. Gary and Val Streff

WHY WILL WE

CONTINUE TO MARCH?

Even with the wonderful blessing of Roe v. Wade being overturned, which allows more freedom at the state level to enact pro-life laws, the necessary work to build a culture of life in the United States of America is not finished. Rather, it is focused differently. Sadly, the number of abortions annually are still well over 900,000 each year, and that number is expected to decrease only by roughly 200,000 each year in a post-Roe America.
