Join us as we look closer at what the Last Supper really was like as we break bread together. It will be on Saturday, April 1, 2023 @ 6 p.m. in the Parish Hall. Dinner will be provided. Registration is required. <https://forms.gle/YHi64JBrQy6ibQmT9>

### CRS—Fourth Week of Lent— Sharing Stories of Hope from Kenya

Most people in Turkana, Kenya raise livestock, and a few are farmers. But the hot and dry climate makes this work difficult—and climate change is making it even harder. Rebecca and Lotiang participated in a Catholic Relief Services program that installed a water well and taught them new farming techniques. They can support their family with their crops and are teaching others in their community what they learned. How can you use your skills and knowledge to help others? Visit [crsricebowl.org](http://crsricebowl.org) to learn more.

### Infant Baptism Classes on Mondays, March 20 and 27

Baptism preparation classes are offered to parents with children under the age of seven. For more information, please call the parish office to register.

Use the QR code at the entrance to the church to read the full edition of the Sunday Bulletin online for more announcements, or view it in myParish App.

# CATHOLIC FAITH CORNER

## A YEAR OF THE EUCHARISTIC REVIVAL

### The Miracle During Mass

At every Catholic Mass, following the command of Jesus himself, the celebrant raises the host and says, "Take this, all of you, and eat it..." Then he lifts the cup and says, "Take this, all of you ... This is the cup of my blood, ... which will be shed for you ... Do this in memory of me."

The doctrine of transubstantiation, the teaching that bread and wine are converted into the actual flesh and blood of Jesus Christ, is difficult. When Christ first told his followers of it, many rejected him. But Jesus did not clarify his statement or correct their misunderstanding. He simply repeated his command to the disciples at the Last Supper. Some Christians today still have trouble accepting this teaching.

Throughout history, though, many people have reported miracles that brought them back to the truth. The Church has recognized over one hundred eucharistic miracles, many of which occurred during times of weakened faith in transubstantiation, the miracle of the Mass.

**Bloodstained Cloths:** In 1263, a German priest known as Peter of Prague was struggling with the doctrine of transubstantiation. While he was saying Mass in Bolseno, Italy, blood began to stream out of the host and onto the corporal at the moment of consecration. This was reported to and investigated by Pope Urban IV, who concluded that the miracle was real. The bloodstained linen is still exhibited to this day.

**The Face of the Christ Child:** The miracle of Eten, Peru, for instance, began on June 2, 1649. That night, as Fr. Jèrome Silva was about to replace the monstrance in the tabernacle, he saw in the host the image of a child with thick brown curls that fell to his shoulders. He held the host up to show the image to those present. They all agreed that it was an image of the Christ Child.

## **A Eucharistic Revival**

To renew us by enkindling a living relationship  
with the Lord Jesus Christ in the Holy Eucharist.

**The Miracle at Mass**  
**When bread and wine**  
**becomes the body and blood of Christ**

*And when he had given thanks,  
he broke it, and said,  
“This is my body, which is for you.  
Do this in remembrance of me.”  
(1 Corinthians 11:24)*

# A year long focus to further educate our parish community and the Kailua community about the Real Presence of Jesus in the Eucharist

1. The greatest treasure that our Lord has given us is the Real Presence in the form of bread and wine, proving His desire to be bodily connected to us.
2. As we read John 6, we will see how many of Jesus' own disciples lacked the faith required to believe in the Real Presence. To believe that Jesus is present in the Eucharist requires even greater faith. This is why Jesus stresses the theme of faith so strongly.
3. Jesus fulfills His promise to give His flesh and blood as food and drink at the Last Supper. Four different times the New Testament records the Last Supper: Matthew 26:26-30; Mark 14:22-26; Luke 22:14-20; 1 Corinthians 11:23-26. At the all-powerful words of Christ: "This *is* my body... This *is* my blood," the bread and the wine are completely changed into Christ's actual flesh and blood.
4. At the Last Supper, on the eve of His passion, Jesus gives His "last will and testament." This was definitely a time for plain and literal speech.
5. The literal speech at the Last Supper is obviously very different in meaning from when Jesus refers to Himself figuratively as "a vine" and a "door."
6. Jesus promised that he will be with us till the end of time and does so in the form of bread and wine, as our spiritual food and drink to help us on our spiritual journey.
7. Do we believe when Jesus said "*This is my body which will be given up for you ... This is my blood, the Blood of the new and eternal covenant, which will be poured out for you and for many for the forgiveness of sins. Do this in memory of me.*"
8. Evidence from Eucharist Miracles are many: One excellent book is "*Eucharistic Miracles*" by Joan Carroll Cruz. (Rockford, IL: TAN Book, 1987). Another, is by Blessed Carlo Acutis, who created a website entirely about Eucharist called: "Miracles List – The Eucharistic Miracle of the Word."
9. One of the proven Eucharistic miracles was dated back in 1971 by Italian doctors using sophisticated equipment. They concluded that the flesh is real human flesh and blood is real human blood. The flesh is from human heart and the blood is type AB.
10. We Catholics hold fast to this doctrine of the Real Presence and recognize the miracle that happens during every Mass.

Our Parish Faith Formation Committee encourages  
all parishioners to learn more  
about the Real Presence during the next 12 months.
